

7 IS TOLL OF DEATH IN MOTOR CRASHES ON EASTER SUNDAY

New York Party Run Down
at West Nyack—Car Smashed
at Interlaken Crossing.

AUTOISTS KILL TWO.

Woman Driver of Car Which
Runs Down Little Girl in
Riverside Drive.

The death this morning of Miss Elizabeth A. Griffen, twenty-three, of Shrewsbury, N. J., who was injured at Interlaken yesterday when her sister, Aline, and Lynn B. Moore of Nashville were killed by an express train crashing into the automobile in which they were driving, brought the total of killed in Easter motor accidents up to seven. Four of the dead lived in Manhattan, two of them being children.

A small truck containing five men was seen going at high speed toward West Nyack last night as the West Shore Railroad southbound passenger train approached the crossing some distance from the station. The engineer said his whistle was unheard or disregarded, and the locomotive hit the truck broadside and demolished it. The train stopped and passengers and crew went to the aid of the victims. The driver of the truck, Charles Moler, twenty-five, who lived in West 45th Street, and Joseph Cavanaugh, twenty-five, of Ninth Avenue and West 45th Street, were instantly killed. Dominick Scoman, No. 780 Tenth Avenue; Charles Sney, No. 610 West 46th Street, and Henry Biando, No. 404 West 56th Street, were seriously injured and sent to N. York Hospital.

Easter promenaders at 125th Street and Second Avenue saw three-year-old Rosina Anastasio, No. 245 Second Avenue, crushed to death under the wheels of an automobile late in the afternoon. Charles H. Nelson, No. 73 Winfield Avenue, Jersey City, the driver, was locked up in the East 126th Street Station on a homicide charge.

Five-year-old Tessie Taussky, No. 1537 Avenue A, crossing Riverside Drive at 182d Street a few seconds after her father had reached the opposite walk last night, was run down and injured by a southbound touring car and died while being taken to Columbus Hospital. Mrs. Carolyn M. Schlach, No. 211 Jackson Street, Brooklyn, who was driving the car, was not arrested.

Charged with driving an automobile while intoxicated and with having injured two soldiers who were on a motorcycle on the South Country road, near Babylon, L. I., yesterday afternoon, James C. Cornell, thirty-five years of age, a lawyer, of No. 54 East 32d Street, New York City, was held by Justice Cooper for examination next Saturday. In the mean time the two soldiers, who were removed to the South Side Hospital, are expected to recover.

Calvin Harrell, twenty-four, and William Jones, twenty-five, of Mitchell Field, were the soldiers.

RICH BUILDER DIES DRIVING HIS AUTO; WIFE AVERTS CRASH

Mrs. Shutz Unable to Operate Car,
Stops by Chance Its Zig-
zag Flight.

While at the steering wheel of his automobile yesterday morning on the way to Easter service Lawrence J. Shutz, wealthy resident and master builder of Orange, N. J., died of heart disease.

As he fell over the wheel the car staggered about seventy-five feet before his wife, Matilda, who was in the back seat, noticed that something was wrong. The machine jumped the curb.

Mrs. Shutz reached over and through mere luck pressed the ignition button and shut off the electric current, stopping the automobile. Two inches more and the machine would have crashed into a tree. Mrs. Shutz does not know how to operate a car.

Mr. Shutz, who was fifty-five, lived at No. 500 Linden Place, Orange. He had been under the care of a physician for a year for heart trouble. He was a prominent Mason.

BROADWAY CAR HITS FIRE ENGINE; 1 HURT

The machine of Engine Company No. 26, responding to a fire, was racing east through West 37th Street last evening, siren blowing and bell ringing, when at Broadway a northbound Broadway surface car collided with it, throwing most of the firemen to the ground.

One fireman, Amandus Matthews, No. 402 East 65th Street, was rushed from the firehouse, to which the engine returned, to Bellevue Hospital in the automobile of Honorary Deputy Chief Robert Manser, where it was found that the fireman was seriously injured in his back and hip.

Dr. Isaacs permitted Manser, at

the man's request, to take him home. The other men were not seriously injured.

Deputy Chief Manser said that a similar accident had occurred before. He had written to Mayor Hylan a year ago, he said, asking that an ordinance be passed ordering all vehicles to stop upon the approach of fire apparatus, but nothing had been done.

ARCHBISHOP CURLEY WEARS THE PALLIUM

Dons for First Time Ecclesiastical
Insignia of Office.

BALTIMORE, April 17.—For the first time since his elevation Archbishop Michael J. Curley wore the pallium, the official insignia of his high office, at the Easter services at the Cathedral yesterday. He was an imposing figure as he marched at the head of the procession in his full ceremonial robes of trailing purple and ermine cape.

After he had reached his throne these robes were changed for others before the pallium, conferred upon him by proxy in Rome by the late Pope Benedict XV., was placed around his neck. It is one of the most conspicuous of all ecclesiastical accoutrements, being a narrow circle of wool marked in black with symbols of the church.

Burglars Rip Off Outer Door of
Safe, but Are Scared Away.

Burglars ripped open the outer door of a safe in the rear of a Woolworth 5 and 10 cent store at No. 1484 First Avenue some time after closing hours Saturday, but apparently were frightened off before they reached the inner compartment, where was more than \$2,000. It was revealed to James Quinn, assistant manager, when he made his usual Sunday inspection at 5 o'clock last night.

Gas Makes Fire Alarm Box a Bomb, Blows Up and Wounds Pedestrian

Explosion Scatters Metal Fragments, Endan-
gering Several Persons in the Vicinity.

A mysterious explosion inside a fire alarm box at 98th Street and Third Avenue last night endangered several passersby and slightly injured one. John Renta, thirty-two years old, of No. 162 East 100th Street, with face bleeding from cuts made by pieces of flying metal, reported the accident to the police at the East 104th Street Station.

Patrolman Ames was sent to investigate and found that the front of the fire alarm box was splintered. He said he noticed a faint smell of gas coming from the box. The fire department was notified. The police surmised that the explosion had been of gas that had travelled through pipes leading from the street and had collected inside the box.

JOFFRE IN CHICAGO; HAS QUIET GREETING

Reception Lacks Warmth Shown
During Visit in Wartime's
Early Days.

CHICAGO, April 17.—The second visit of Marshal Joffre to Chicago was devoid of that flaming demonstration that greeted him in the early days of the United States entrance in war. Major Gen. Bell, with a squadron of the 14th Cavalry and battalion of the 54th Infantry, met him at the station. Also there were William McCauley, State Commander of the Legion, and Alton T. Roberts, Chairman of the Legion's committee of welcome. There

was a parade to Michigan Avenue, where a salute of sixteen guns was fired. Mme. and Mlle. Joffre avoided the parade and went at once to their hotel. Mme. Joffre was ill from the effects of continued receptions and travel through the West. There was an informal reception at the hotel. The Marshall's eyes lighted up when he discovered any French decorations on his callers. He complained that flashlights bothered him more than cannon.

PASTOR IS EASTER SUICIDE.

MARS HILL, Mo., April 17.—The Rev. Charles R. Carleton, pastor of the Methodist Episcopal Church here, went into a stable adjoining the parsonage

early yesterday and shot himself through the head with a rifle. His family could give no reason for his act.

Saturday the pastor appeared cheerful and helped parishioners decorate his church for Easter services. He came here a year ago from Presque Isle. He was fifty years old and is survived by his wife and one son.

BOY PRISONER IDENTIFIED BY A GIRL AS ROBBER.

Merritt Malone, nineteen, was arrested on the fire-escape of the apartment house in which he lives at No. 67 West 109th Street when Patrolman Thomas Weiss found him crouching there armed with a toy pistol and a kitchen knife.

Malone was identified by Agnes Curley, seventeen, as the man who had entered her room in the same building last Thursday, threatened her with a knife and robbed her of \$50 and a rosary. Magistrate Marsh held Malone without bail on a charge of burglary for examination Wednesday.

JOHN I. RAYNOR.

John I. Raynor, a well known horticulturist, died Saturday at the Hotel Theresa, West 124th Street, after a lingering illness. He was a native of Queens, L. I., sixty-three years old and was instrumental in forming organizations for advancement of the florist business. When he retired ten years ago he had extensive greenhouses on Long Island and in the South. Funeral services will be held in the Campbell Funeral Church at 1 o'clock this afternoon.
